

Firma Newfren ma bogate doświadczenie w produkcji tarcz sprzęgłowych. Początki firmy sięgają lat 50-tych. W ostatnich latach firma Newfren stała się największym europejskim producentem tarcz sprzęgłowych do motocykli dzięki zakupowi najnowocześniejszej linii produkcyjnej w USA. Stały rozwój firmy gwarantuje dział badawczy testujący nowe materiały. Dzięki temu powstały tarcze sprzęgłowe z Carbonu, którego dostawcą jest Depoint. W przypadku tych sprzęgieł zredukowano wagę o 30% jednocześnie zwiększając skuteczność działania i wytrzymałość.

Newfren jest dostawcą sprzęgieł min. do firm takich jak Aprilia, Ducati, KTM.

Wysokiej jakości tarcze sprzęgłowe o znakomitej relacji ceny do jakości. Wypróbowane przez szerokie grono użytkowników zebrały bardzo wysokie oceny.
